

PRODUCT RELEASE X-TENDABLE

Enrich your table with the X-tendable pendant by ONE A. The sleek X-tendable pendant consists of an anodized base with a beautiful handwrapped leather cord detail – honoring ONE A's design philosophy.

The pendant is ideal for kitchen-, dining- and meeting tables as the lamp-heads are spaced every 40cm, ensuring evenly distributed light across the entire table.

The standard configurations are X2, X4, X6 or X8 – however X10 and X12 are available upon special request.

X-tendable is available in a Black/Gold or Gold finish with either Black, Brown, Tanned Brown or Green leather details
