The 'Sphere' is available in various different forms: a table or floor lamp, a single hanging lamp, a triple hanging lamp, a seven-armed hanging lamp, a wall lamp and a wall lamp with plug. This versatility means that the 'Sphere' is easy to combine in almost any interior. Its soft light and its simple but elegant outline bring a warm ambiance to every room. The 'soft touch' finishing gives an added dimension to a design concept which feels instinctively relaxing.

Installation note: Comes with a 4" backplate that mounts to a standard junction box
